

Some text that is long enough. 'Before you discuss the resolution, let me place before you one or two things, I want you to understand two things very clearly and to consider them from the same point of view from which I am placing them before you. I ask you to consider it from my point of view, because if you approve of it, you will be enjoined to carry out all I say. It will be a great responsibility. There are people who ask me whether I am the same man that I was in 1920, or whether there has been any change in me. You are right in asking that question.'

Arbitrary text.
